Front end developer with back end experience and a background rooted in music and E-Commerce

## Experience

**Freelance**
Web Developer
July 2018 – Present
New York, NY

- **IveBin:** Full stack web development for a travel-centric blogging application using React, Node, Express, PG-Promise, JSON Web Tokens and BCrypt. Source Version Control through Git and deployed to Heroku
- **MisterKat:** Front end web development for a travel blogger using React. Source Version Control through Git and deployed to Netlify

**General Assembly**
Web Development Immersive, Engineering Fellow
March 2018 – June 2018
New York, NY

- Created 4 projects during a 12-week intensive course learning JavaScript, building responsive full stack web applications using React, Node, Express and PostgreSQL with deployment to Heroku
- Collaborated with other developers to create a full-CRUD web application that utilized fetched JSON data from Google's Places API
- Participated with UX students on a three-hour "hackathon" project. Gave input as a web developer and aided in the preparation, planning and presentation of an investment pitch for a web application that provided a platform for General Assembly alumni to stay connected and work with one another on projects
- Conceived, planned and executed projects with self-determined daily schedules to meet hard deadlines. Project proposals required creation of scheduling, user stories, wireframes, proof of concept prototyping and priority matrices

**Layla Girl Ltd., LaylasPetStore.com**
E-Commerce Specialist
June 2012 – March 2018
Staten Island, NY

- Designed responsive static templates for E-mail marketing campaigns using HTML and CSS
- Created product listings for eBay, Amazon, Walmart and company websites
- Uploaded and maintained product listings using Magento, HTML, and CSV files

**Studio Steam Productions**
Composer, Producer, Audio Engineer
January 2011 – May 2018
Staten Island, NY

- Produced, Recorded, Mixed, and Mastered
  Yeti "Shadowhead" (2014), Yeti "Pill" (2015)
- Composed, Performed and Mastered
  Giga Herbs "Mad Weird" (2014), Giga Herbs "Mad Deep" (2016),
  Giga Herbs "Mad Love" (2018)
